## One° 15 Marina Club

Named after Singapore's strategic location one degree, 15 minutes north of the Equator in nautical terms, One°15 combines world class marine facilities and amenities with an undisturbed environment and breathtaking sea views.

Tucked away in the Sentosa Cove enclave, it is positioned to become one of the world's most well integrated waterfront lifestyle communities.

Members not only can check into one of the 24 plush Deluxe Rooms or four luxurious Club Suites, they can also choose to book the plush Cabin boats. With equivalence to a "floating apartment", each house-boat offers spacious living areas and four cabin rooms, fully furnished to offer the guests a comfortable and memorable experience all the time. Available for the first time in Singapore, these unique boat-houses are ideal for both family and corporate gatherings.

Whether you are boaters or not, the club offers top-notch facilities for all, like a designer infinity pool, spa, fully-equipped fitness centre, ballroom and restaurants that offer you meals unlike any other. Featuring the best of the Old and New World wines, the 360 degrees wine cellar will give wine aficionados more reasons to applaud.

Sia Huat Pte Ltd is proud to add One°15 Marina Club into our growing list of exclusive projects.
