

## BREWERKZ RESTAURANT

Occupying a prime location on the Singapore River at Riverside Point, the iconic full-service restaurant, Brewerkz Restaurant & Microbrewery features high quality American-style food and a full range of premium beers handcrafted on-site from the 10 hl microbrewery attached to the restaurant.

With seating for 240 diners inside and over 300 alfresco, the fun and informal atmosphere of the restaurant has resulted in an average of 1,100 customers being served on a daily basis. The well-frequented restaurant comes complete with pool table, dartboard and 10 large-screen televisions that are particularly popular with sports fans.

The most notable attraction of the restaurant is the distinctly featured custom-made microbrewery equipped with specially fabricated fermentation tanks that have been designed to minimize floor-space needs.
