ANNUAL WAREHOUSE SALE

This year's Annual Warehouse Sale attracted over three thousand shoppers to Pandan Road, offering up to 80% discount on an assortment of items priced to clear. Special discounts were also offered on selected institutional and professional cookware and utensils.

From Day 1, customers were already waiting outside our gates before 10am and within an hour of opening, the place was jam-packed with shoppers. Popular items such as Zebra cookware and utensils were frantically snapped up like hot cakes.

The rain on Day 3 did not dampen the buying spirit and shoppers continued to pour in. The usual 'Lelong' area along our driveway once again presented porcelain chinaware at prices as \$10 for 20 pieces.

Another attraction was the 5 minutes best bargain specials that took place initially between 1-hour intervals and then at half-hour intervals as the sale drew closer to its end. Everything that went on sale during these bargain 5 minutes specials was cleared within minutes of each product introduction.

See you again next year.

"We stay in Pasir Ris, but every year we would come all the way to Pandan Road to take advantage of the fantastic bargains!" said regular customer, Mrs Wong.

"The products are cheap and in good quality. I have already spent more than \$300 today. I will be back again next year," remarked Joyce, another customer.
