

JetQuay, Asia's first standalone luxury airport terminal, is managed by Jet Quay Pte Ltd, a Singapore-based joint venture between France's Worldwide Flight Services, a world leader in airport and terminal services, Superior Travellers Services Limited, provider of airport services in China, and Sembawang Kimtrans Ltd and TS Marine Pte Ltd, leading integrated logistics providers in Singapore.

JetQuay provides its members premium airport facilitation services, ensuring that each passenger's transit through Changi Airport is seamless, and the experience at the JetQuay terminal is both luxurious and extraordinarily convenient.

Backed by the extensive experience and strong track record of the four joint venture partners, JetQuay offers a comprehensive suite of exclusive five-star services to exceed the most demanding service expectations of discerning travelers, and further strengthen Changi's reputation as one of the leading airports in the world.
